The image displays 100 numbered circles arranged across four overlapping panels. The panels are colored blue, red, orange, and green. Each panel contains a faint background illustration of a child sitting at a desk with various math symbols (numbers, plus, minus, multiplication signs) scattered around. The numbers 1 through 100 are distributed across the panels as follows:

- Blue Panel (Top Left):** 63, 64, 70, 60, 56, 54, 28, 30, 32, 27.
- Red Panel (Top Right):** 72, 80, 81, 90, 50, 49, 48, 100, 45, 36, 40, 42.
- Orange Panel (Bottom Left):** 25, 24, 21, 8, 9, 7, 6, 5, 4.
- Green Panel (Bottom Right):** 20, 18, 16, 15, 10, 12, 14, 3, 2, 1.
