

# GOOD BRITISH FOOD

---

Eggs and bacon for breakfast,  
With some toast and tea  
For lunch I want some fish and chips  
With salt and vinegar  
At four o'clock I have some scones  
With lots of jam and cream  
And then for tea I have a roast beef  
With mash and nice green peas

Eggs and bacon, fish and chips,  
Scones with jam and cream  
Roast beef and mashed potatoes,  
With nice green peas !
